

Hello Fellow Alaska Sporting Clays Shooters,

As 2020 comes to a close the board has been busy working to prepare for what 2021 may bring. The AKSCA board has solicited opinions for shoots and registration processes. At this time, we want to explain a few changes that will be forthcoming in 2021.

1. Event Registration:

We will be moving to online registration and payment for 2021 by teaming with ScoreChaser.com.

- Benefits:

- Online Payment System: pay ahead of time, event pay outs mailed direct to Class and HOA options winners
- Online Score Entry: Scores visible upon entry to the system, they no longer require being posted to a venue website, Facebook, or the AKSCA website
- We can provide the venue with a projected participation rate, assisting with staffing concerns
- You will still be able to register the day of the event
- Squadding is on a first registered basis

- Drawbacks:

- Reduced pricing options
- Squad registration by a single person is not possible, you may select your preferred squad mates and they will generally be assigned with you. (Do not wait until the last minute to register if everyone wants to shoot together)

2. Pricing: The overall pricing will not be changing a lot, though we did have significant changes in pricing structure from our current venue for 2021.

The clay pricing structure was changed to now show a Setup fee for each event and a clay target price. This is good news and bad news as the shooter. Due to our lower than average turn out for events in 2020 the setup fees account for \$12.00/Rd shot in 2021. The good news is, that we have accounted for this pricing in the fees and as our numbers increase in 2021, we will be able to drop the pricing accordingly. For Example: We averaged 25 shooters per 5-stand event in 2020, if we can increase the average by 5 shooters, we will be able to drop the event Registration fee by \$2.00/shooter. **Encourage those that can, to shoot in 2021.**

- Price Breaks will be given to online registration only, In person registration will cost an additional \$5/event. The scorer will be required to complete your registration process and take payment through ScoreChaser.com
- Jr/Sr pricing is being eliminated, by moving online we have a single event price. Please register online to save money at each event.

3. Schedule:

- New for 2021 American Field Sporting
- State Shoot: June 18th – June 27<sup>th</sup>
  1. Target Setter: Pinnacle Shooting Sports – Scott Cusanek
  2. Order of Events is still being confirmed; Registration: ScoreChaser.com
- Introduction Shoots and Classes highlighted Green on Page 2

## 2021 Alaska Sporting Clays Event Schedule

- **5-stand Events**

- |              |                                            |                |                         |
|--------------|--------------------------------------------|----------------|-------------------------|
| 1. 1/9/2021  | Goodbye 2020                               | 6. 4/18/2021   | April Fool's            |
